

The  
Menopause  
Society™

2025 Annual Meeting

# Exhibit Prospectus

October 21-25, 2025 | Hyatt Regency Orlando

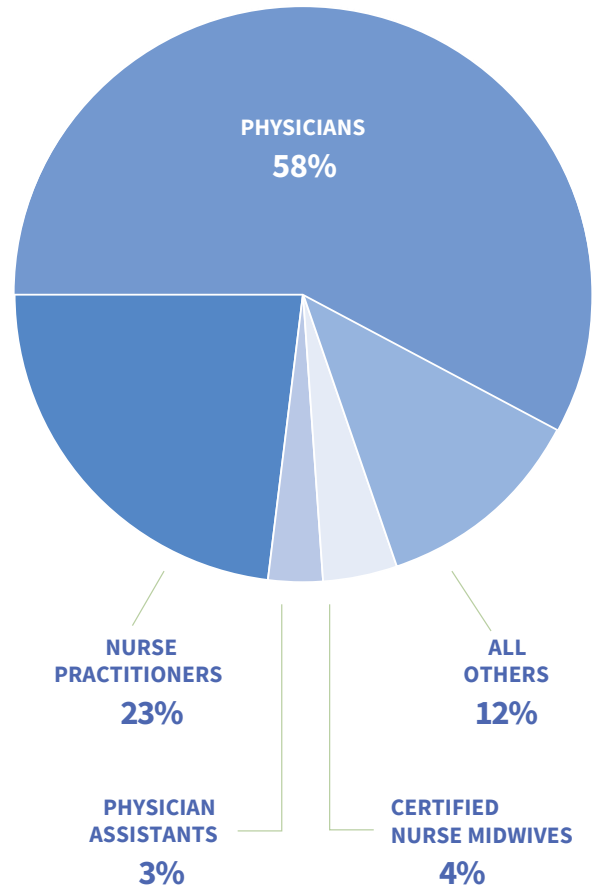

The Menopause Society is the leading, nonprofit scientific organization dedicated to empowering healthcare professionals to improve the health of women during the menopause transition and beyond. The Society is also the preeminent resource on all aspects of menopause for both healthcare providers and the public. Its multidisciplinary membership of over 7,000 leaders in the field—including clinical and basic science experts from medicine, nursing, sociology, psychology, nutrition, anthropology, epidemiology, pharmacy, and education—reflects the optimal approach to the care of women as they reach menopause and beyond.

The Menopause Society Board of Trustees and the 2025 Scientific Program Committee invite you to exhibit at the 2025 Annual Meeting. The meeting promises to deliver a comprehensive scientific program. Included will be expert faculty presentations on the latest research and interpretations of findings for clinical application. More than 1,800 healthcare professionals are expected to attend in person, representing the key medical thought leaders, decision makers, and educators in their respective fields.

Past meeting evaluations indicate that participants consider the commercial exhibits to be an integral part of the meeting, complementing their learning experience. The Exhibit Hall is one of the best attended of all exhibit opportunities in women’s healthcare, and dedicated exhibit time has been included throughout the meeting. Don’t miss this unique opportunity to meet and interact with this highly sought-after and influential audience—often only reachable at The Menopause Society Annual Meeting.

# Why Should You Exhibit

## Population Demographics

Menopause affects every woman who reaches her midlife years. Although the median age of menopause in North America is 52, menopause-related changes can start as early as a woman's 30s and extend through the rest of her life. Not only are an unprecedented number of women reaching menopause—about 6,000 each day in the United States alone—but women are living longer than ever. This makes menopause health more important than ever before.

## Education

Because the range of menopause information extends through many fields of study, healthcare providers are challenged to distill and interpret the vast amount of scientific data that appears on a daily basis into practical advice that they can use in their professional practices. It is critical that healthcare providers are informed about new and improving technologies, equipment, products, and services in the field of menopause. That information can be found at the commercial exhibits at The Menopause Society Annual Meeting.

## Audience

The meeting provides an opportunity for you to network with today's power players in the diverse field of menopause management. The Menopause Society meeting attendees are an eager, receptive, and informed audience from every region of the country and around the world. You'll hear firsthand from top clinicians and researchers regarding their requirements and concerns so that you can provide them with the best professional options. You'll also be able to build rapport and expand existing relationships by meeting with your current and potential customers.

## Recognition

Exhibiting at The Menopause Society Annual Meeting can build recognition of your company and awareness of your products. It's the ideal forum for showcasing your products and services to healthcare providers, many of whom can be reached only at this meeting.

## Value

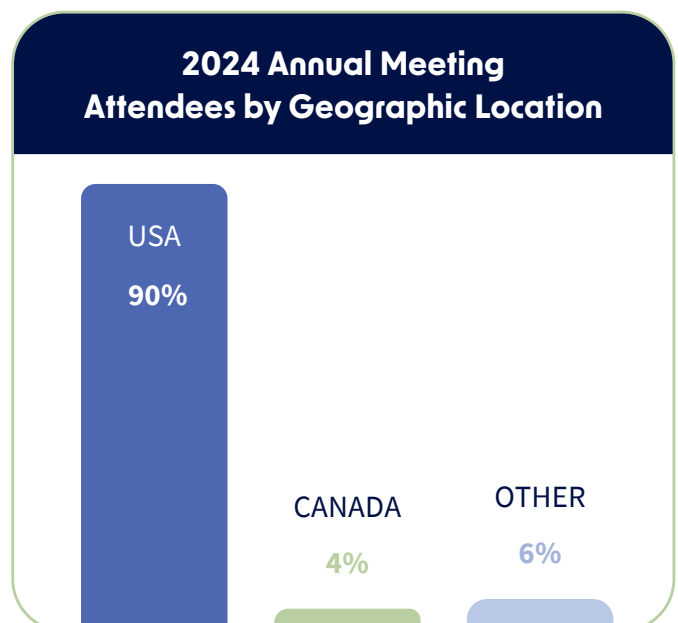

Exhibiting is cost effective. Space rates are competitive with other healthcare meetings, and booth prices have not increased for 2025. An Exhibit Guide listing companies and contact information is available to attendees—providing a useful reference while at the meeting. Exhibiting companies also receive 2 complimentary exhibitor registrations per 10' × 10' booth. Exhibitor badges allow booth staff to participate in the entire Meeting (including all food functions)—valued at \$2,000!

## Dedicated Time & Increased Traffic

The Menopause Society offers unopposed, dedicated Exhibit Hall time throughout the meeting, allowing ample time for attendees to visit the exhibits. The Thursday evening reception, as well as the Thursday and Friday morning and afternoon refreshment breaks, are all located in the Exhibit Hall, helping to increase Hall traffic.

## Convenience & Location

Every educational offering and social event of the 2025 Annual Meeting is conveniently located in the Hyatt Regency Orlando.

The Society will reimburse exhibitor pro rata on amounts paid, less any and all legitimate expenses incurred by the Society at the Society’s discretion due to Show cancellation.

**7. Non-Waiver**—The Society shall not be deemed to waive any of its rights hereunder, unless such waiver is explicitly stated as a waiver in writing and signed by the Society. Exhibitors are not permitted to store packing crates or boxes in the booth during Show hours but these, when properly marked, will be stored and returned to the booth by the exhibit service contractor. Crates not properly marked or identified by exhibitors may be destroyed or lost and are the sole responsibility of the exhibitor. Exhibit materials left unattended midnight on Friday, October 24, 2025, and for which no shipping arrangements have been made, will be considered abandoned. The Society will arrange for disposal or return of these materials at the exhibitor’s expense, and neither the Society, the exhibit service contractor, nor Hyatt Regency Orlando shall assume any liability whatsoever for loss or damage.

Exhibits must be staffed during Show hours and may not, to any extent, be dismantled before 3:00 PM on Friday, October 24, 2025. Any early dismantling or packing shall be considered a breach of this agreement and may affect future contracts.
